

Introduced Hot Spots and Ford Museum passes to the library.
Ask a librarian to learn more.

Created 12 Literacy Kits and several Pre-Lit Kits.
Watch for more kits coming over the next year.

Hosted elementary school classroom visits.
And gave several young readers their first library card.

Evaluated and updated our employee job descriptions.
Now we can serve you even better.

Introduced several games and STEAM Kits to our collection.
Have a recommendation? Drop a note in our book suggestion jar.

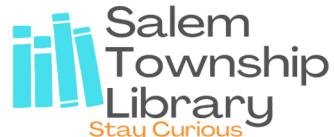

Partnered with several local business to host our first ever Amazing Race.

Stay tuned for Summer Reading 2025!

Partnered with The Salem Township Board and Fire Department to work with TowerPinkster on future expansion needs and plans.
Check out the latest proposed plan at the library today!

2022-2024 Strategic Plan Report

Curated and shared resources on our website geared towards homeschoolers and other educators and learners.

This content has also reached other libraries who share it with their patrons too!

Started a little free library of puzzles.

All puzzles are free to take home - no checkouts required.
Donations are always welcome.

Employees continued to learn as professionals and two staff members became certified through the Library of Michigan.

Way to go team!

Redesigned our website for better functionality, ease of use and accessibility.

Visit us online today at salemtownshiplibrary.org

Added a Coffee Bar.

Drinks are free, donations are welcome.

Reorganized our children's books in to different sections for easier browsing.

New sections, such as non-fiction, were created, and new signs were created to showcase each section.

Purchased two new children's computers.

Computers are touch screens, safe for kids to use and are full of educational programs and games.

Added a Seed Library.

Open year round and full of seeds and resources for gardeners of all ages and abilities!
