

HOW WE'RE DOING: STRATEGIC PLAN 2025-2027

As of January 2026

Collection

Expand & Diversify our Audio Book Materials

- Hoopla spending has consistently come in at just under \$800 per month, per budget cap
- 90+ more children's picture books on CD have been added to our collection in October
- Library has been accepted as a partner with Yoto Players (we get discounts)
- Separate budget document has been made for audio/visual items to track spending/purchases
- More VOX books have been purchased in October

Community

Build & Grow our Community Reach

- A recommended reading booklet/binder has been created and shared for children's books, more ideas for older age ranges are in development
- Ottawa ISD is now meeting at the Township Hall, once per month, with their program: Play n Learn

Space

Reimagine Space for our Community

- Library Building Renovation and Expansion Committee has sent out letters to land owners; discussions are continuing in a positive way
- TowerPinkster has sent us sample plans they have designed and implemented to help us with some ideas
- Library Program Room policy is being proposed to address (smaller) community needs
